Notes:

Best 3 of 8

One score at least on each course

The best 3 rounds by each player count towards their total.

COUNT identifies the number of scores counting for each player.

MIN and MAX identifies the lowest and highest scores of those counting.

COUNTBACK is the players' score over last 9 holes, then over last 6 holes, then over last 3 holes and finally last hole score only (from their best scores combined together), used to resolve ties.
