

Gills Hibb's Golf Day

Friday 5th September 2008

For many years Gill Hibbs was an enthusiastic member of Richmond Park Golf Club until sadly, last year, she lost her battle with cancer. Because of her many happy times with her friends at Richmond Park, Gill very generously left the present members of the club with a legacy to fund a "truly memorable golf day".

Over the past few months, we have finalised the details of this special day to, we hope, be everything that Gill would have wished. The special golf day will be held at The Drift Golf Club, where we will largely take over the course for the day, with a two tee start for both the morning and afternoon rounds. Further details below.
