

Amida Friendly

Ladies: **Win 3-0**
Men: **Win 2-1**

For the Ladies, it was our 3rd anniversary playing this year at home. For the men, it was their first friendly against Amida. 6 men and 6 women from each club played in 4 Ball Better Ball, $\frac{3}{4}$ difference, team matchplay and by all accounts, several of the matches were closely fought.

Fiona, Veronica, Jini, Sonia, Alison and Jayne were the team members for Richmond's ladies. For Jayne and Alison, the match was won on the 17th and for the others, it was a slightly easier win. The conditions were warm and overcast which allowed for some good scoring.

The men's match was a much closer affair, being in the balance until the 18th hole of the final game. The pressure got to the players on both sides in the final game and was won with a double bogey 5 from captain Richard Owen. The Amida men were a very friendly bunch, who will be inviting us to a return in Twickenham. Many thanks to Kerry, Graeme, Mike Smeal and Stan for turning out.

Following the match we all enjoyed a very convivial atmosphere with snacks and drinks in the RPGC 'cabin' organized by Jayne.
