

## Bontor Challenge Trophy

**2009 Result :**

**Men 7**

**Ladies 6**

The annual match between the Men and the Ladies took place in glorious July sunshine on the Dukes course. Thirteen matches battled it out for the 'coveted' trophy, first played for in 1932. Several matches were only decided on the 18<sup>th</sup> green and the overall result was much closer than it had been for several years.

An excellent picnic, arranged by Jayne and Lia, was enjoyed after the match and a good time was had by all.
