

Captains' Day

2nd August, 2009

70 people turned up to play on a glorious, summer day. It was a great attendance which included some golfers and friends we do not see regularly, which makes the day so special. The spread of food was fantastic and there are clearly bakers and cooks who have hidden talents, particularly Norma, Kerry and Ros Gray. Thank you. Richard planned and organized all the events, of which there were several, and overall, it was a very enjoyable day.

The prize winners were:

LADIES

The overall winner of Captains Day with a net score of 70 was Jini Beacham

The Runner-up was Norma Lynch with a net score of 71.
