Overall Position	Count	Total	Best Scores
103 James Burr	1	97	97

Notes:

Best 4 from 5

The best 4 rounds by each player count towards their total.

COUNT identifies the number of scores counting for each player.

Where players have the same total, players are ordered by best last 9 holes (summed using the players' best scores). If there is still a tie, the best last 6 holes are matched (then last 3 holes and finally best last hole, as required).
